Costumes

Your child will receive a form that will tell you exactly what your child will need to wear for each class. This form will also include shoes, tights, hair, dress rehearsal time, and any other information important to keep things running smoothly for the recital. Recital Surprise

As you all know... at New Dimensions during fall classes we keep our TV monitors on for your viewing pleasure and so you always have access to your child. As we gear up for the recital, we want to make sure the recital performances are kept secret until showtime! With this said we will be cutting all TV monitors down so you will be surprised at the recital watching your kid's performance. The dancers work so hard throughout the year, and this is their little surprise for you. We know you will be eager to watch in the studio, but we do ask that you be patient and let these dancers do something special for you! And wait to see their final performance at the recital!

Questions?

Please do not hesitate to ask us any questions you may have regarding recital, summer programs, Company auditions, Fall Programs, etc. We would love your feedback and strive to make New Dimensions a safe positive environment for all our dancers and families and cannot do that without your feedback. Thank you again for your support of New Dimensions Dance Academy and we look forward to an AMAZING RECITAL!
